REQUEST FOR TRANSPORTATION TO NON-PUBLIC SCHOOLS

Transportation is provided by Central York School District to students of eligible age who attend legally authorized non-public schools located within the prescribed legal distances from the district. Requests for transportation to eligible non-public schools will be processed as soon as possible after the request. Requests for transportation to other non-public schools will be delayed until the district has been provided with documentation of the requirements of the law from the school. You will be notified as soon as possible after approval of the time and location of the bus stop. Reasonable time should be allowed once the request has been submitted.
