

# LOGOS ACADEMY

## 2020-2021 Reopening Plan

### ENSURING SAFETY

- ◆ Logos Academy will continue to follow CDC and Pennsylvania Department of Education guidelines for reopening.
- ◆ Staff and students will be expected to self-screen for symptoms daily before entering the school building.
- ◆ Staff will wear a face mask and/or face shield in the presence of students, families, and other staff members.
- ◆ Students will wear a face mask and/or face shield in the hallways, auditorium, and bathrooms, as well as at any time in which they are not able to maintain 6 feet of distance from another person, including outdoor activities.
- ◆ Desks will be facing one direction and will be 6 feet apart.
- ◆ Students may elect to remove masks when seated at desks and 6 feet apart.
- ◆ When required by class size, students will stay in the same classroom for the majority of the day.
- ◆ One daily lunch option will be available and lunch will be served in the dining hall and auditorium. Students will be seated 6 ft apart in the dining hall and auditorium. Weather permitting, students will be able to eat outside.
- ◆ Meetings with families will be conducted by video conference when possible. Visitors to the building will be limited.
- ◆ High touch surfaces will be regularly cleaned.

### START DATE

- ◆ The start date for the school year is Tuesday, September 8, 2020.
- ◆ In the event of a mandated school closure prior to September 8, learning will move online and the start date will advance one week to Tuesday, September 1, 2020 if the notification of closure is received by Friday, August 14, 2020.

### FORMAT FOR LEARNING

Using this link, families will select in-person instruction or remote learning. Both options are described below. Families are asked to select a format for learning by 8:00 AM on Monday, August 3rd.

### IN PERSON LEARNING (Green & Yellow Phase)

- ◆ Students will attend in person following the regular school calendar and schedule 4 days per week (M,T, H, F) with 1 day online (W).
- ◆ Kindergarten will be half day, 4 days per week (M,T, H, F) with 1 day online (W).
- ◆ Teachers will work with their principal to make reasonable adjustments to the scope and sequence for their grade level as we seek to intensify instruction in math, reading and writing skills.
- ◆ Art, PE and Music will be offered weekly to K-12 students according to the CDC and PDE guidelines.

### REMOTE LEARNING

- ◆ Students in grades 6-12 will be able to watch direct instruction via video conference on M, T, H, and F during regularly scheduled classes and then complete assignments through the online learning platform.
- ◆ Grammar school students will also be able to watch instruction via video conference for the first 30 minutes of the school day and complete assignments uploaded on the platform.
- ◆ A distribution schedule will be provided for remote learning students for the pick up of books and materials.

### CONSIDERATIONS FOR REMOTE LEARNING

Students will not be able to navigate remote learning on their own. They will need accountability, redirection, and clarification from an adult at home. We want to be honest regarding the support the classroom teacher and staff can provide while also supporting 4 full days of in-person instruction for students. Here are some guidelines and procedures to help us navigate simultaneous in person and remote learning.

- ◆ Parents will be invited to meet with the principal to learn how to navigate the online learning platform and review the procedures for remote learning, as well as grading procedures.
- ◆ Students will join the class through video conference and complete class assignments on the online learning platform.
- ◆ Younger students will need a significant amount of help, so please identify the at-home learning coach who can support your child and communicate with the teacher when additional instruction is needed. It may be a sibling, a parent, a relative, or a caregiver.
- ◆ Please maintain a consistent 'school schedule' for your student.
- ◆ Your child's classroom teacher will be available for your remote learning student on Wednesdays.
- ◆ You will need to make an appointment through video conference to consult the teacher or to receive tutoring or clarification on Wednesdays.
- ◆ All teachers are available by school email and voicemail every day Monday through Friday.
- ◆ In addition, Logos Academy staff will call to check in with all remote learners weekly.
- ◆ Academic expectations as outlined in the Family Handbook are applicable to Remote Learners.

### RED PHASE

During the red phase, all students will access content and instruction online. The online learning platform will be an improved experience from Quarter 4 with increased functionality for both students and teachers. Training will be made available to families for navigating the online learning platform.
